## **Our Kids are Stars!**

Dear Parents and Guardians,

This year we will continue with our Culbertson Character Education Program. “Culbertson Cougar Character ROCKS” has been created for our children to assist and support their social and emotional development and well-being. A school culture that promotes and facilitates positive traits and interactions is very important for all children. Learning the importance of working together and treating others well are essential lifelong values that should be instilled and reinforced early, during a child's formative years. During the school year we will be highlighting the following traits and qualities through lessons, activities and events: Respect, Operation Helping, Cooperation, Kindness and Self-esteem. Please do not hesitate to contact me at any time throughout the school year to discuss your concerns or share your input.

Sincerely,

Ms. Sarikianos, Culbertson Guidance Counselor
